About Us

Rent A Friend is a small local Arizona business specializing in affordable general labor and junk removal services. In business since 2007. Fully licensed and insured.

Rent A Friend Labors Services was originally started as moving company with only a small pick up truck and a trailer. It grew over the years into a small crew moving company. But after noticing a shift in the market, John, the owner, decided to take his business in a new direction. Now with a renewed focus and direction, Rent A Friend labor services is primarily focused on Junk Removal and small labor assistants work.
